Community Participation

Active volunteer program through our Nursing Home Auxiliary or individual volunteer work offer unique opportunities and friendly assistance to our residents. Being involved with local affairs and activities keep residents of **Royal Terrace** aware of happenings in the community to remain an important, contributing member of our society.

Through educational and volunteer programs, students gain practical experience and provide interaction between the young and old at **Royal Terrace**.

Special Features

The Building

Designed with a contemporary look, it offers a charming, informal atmosphere in a tranquil, country setting. So remarkably beautiful and comfortable.

Safety and Security

State of the art communication and alarm systems are in place for peace of mind.

Dining Rooms

An abundance of natural light through many glass walls and high ceilings make dining a pleasurable experience. Our monthly smorgasbord is always a delightful treat.

Courtyards

An attractive, inner courtyard in the long term care section, complete with gazebo, private nook and elegant patio provide a perfect setting for summer lounging or barbecues. An open courtyard in the residential section is ideal for those quiet strolls or busy seasonal activities or to simply enjoy the beauty of a scenic garden, or the farm beyond the fields. Across the entrance to Royal Terrace, scattered under the trees are summer furniture with gliders, swings or plain old-fashioned wooden chairs for the residents, their families and visitors to enjoy.

Organized Activity Programs

Activities for entertainment, restorative care and special events are organized to meet the recreational, social, spiritual, intellectual and other needs, to make living at **Royal Terrace** a comfortable, learning, and pleasant experience for all seasons. Families and friends are always welcome to participate.

Open Visiting Hours Policy

Flexible visiting hours allow our residents to spend precious moments with loved ones at their convenience.
